Mr. and Mrs. J. C. Collier,
Barnesville, Ga.

Our dear Cousins:

The lovely flowers arrived Christmas Eve. Surprised and delighted. Surprised that such lovely silk is made in our own Southern States; and delighted with the lovely gifts. The colors are beautiful. I told you I wanted to show them, not only to our friends, but to every one. We don't have such that will be hard to do when I wear them. Do it really amaze Sina & Mont. You have accomplished wonders in your new silk factory. Those that have seen them have admired them very much and wanted to know where

They can be bought. They are much better looking than any I have seen in the shops here, except the glove silk; and I much better - these you sent. The merchants here are among our close friends. Next I'll take the flowers to one or two and let them see what lovely Rayon you make in your new factory. I am very proud of them and think you both many times.

We are still looking for that promised visit, Graham & Ronald would be more than delighted to have you both any time.

Jimmie has just arrived. It is lovely - and he does appreciate it so much. You will hear from him as soon as the holiday rush is over.

Trust the grapefruit reached

You in good condition

Thanking you again for the gifts, and wishing for you and yours a Happy and Prosperous New Year and for all the years to come.

With love from us both to each of you dear.

Sincerely—

—Lulu Collier—
